

Shih tzu / Yorkie mix

Piper has been missing from castle Shannon since 02/06/2021. She weighed around 8 lbs, was wearing a gold collar. She has a blonde body with darker brown ears, face and tail. She is microchipped. We believe someone picked her up around that time. If you have any information please contact us immediately. Her family desperately wants her home. Please do the right thing this holiday season and give this family back their dog. 412-853-4522
