

CHARLES J. "CHUCK" CARO

6-18-22 - 6-18-23

Hon,
Hard to believe that it's a year already. Seems in so many ways that you never left my side, as I feel your presence with me every day.

I can hear you calling out to me "Hey hon" as you often did. I miss you so much & the loneliness is hard to get past.

But knowing you're at peace with your loving family & my Mom & Dad gives me some comfort. We will all be together again someday!

**We Love & miss you,
Beth and All of your extended loving family**
