

CHARLES J. "CHUCK" CARO

Hon,

Hard to believe that it's a year already. Seems in so many ways that you never left my side, as I feel your presence with me every day.

I can hear you calling out to me "Hey hon" as you often did. I miss you so much & the loneliness is hard to get past. But knowing you're at peace with your loving family, my Mom and Dad gives me some

comfort. We will all be together again someday!

We Love and miss you, Beth, and All of your extended loving family
