

"Are You The One"

Are you the one I've waited for
And dreamed of all my life
The one that would be right there
To take away the pain and strife

Are you the one I'll call beautiful
The one with the kindest heart
And the one who will say to me
Our love will never part

Are you the one when you
kiss me
Every bone in my body will shake
And that you will be the one
To share in the love we make

And will you in fact be the one
The one that I will meet
And will tell the whole
wide world
That your love just can't
be beat
