

Notice is hereby given that LOC9, LLC and Island Avenue Holdings, LLC, have submitted a combined Remedial Investigation Report and Cleanup Plan to the Department of Environmental Protection, Southwest Regional Office, to demonstrate attainment of the site-specific standard for a site located at 1700 Island Avenue, Pittsburgh, Allegheny County. Remediation is in compliance with the Land Recycling and Environmental Remediation Standards Act site-specific cleanup standard. This notice is made under the provision of the Land Recycling and Environmental Remediation Standards Act, the Act of May 19, 1995, P.L. #4, No. 2.
