

## **2.5 yr old Aussiedoodle - truly awesome.**

This guy is an awesome guy. Of no fault of his own, he needs to find a new home. A home where he can run and be free. He is fixed. It is time for his shots. He's well behaved. Well trained and well mannered. Divorce happened. I had to move to an apartment and it's not fair to him. There will be a rehoming fee. I need to make sure he finds the best home available. He will not go to just anyone looking for any dog. \$650
