

Ticket To Hide *(A Beatles Parody)*

So your heart's been
badly broken
And you believe that love
is dead
All because your lover left you
And not a reason for it was said

Well I've got some news for you
I've been down that road before
I just grabbed the nearest
kleenex
And just wiped away the sore

Yes wiped the whole slate clean
And believed again in love
Though it has not surfaced yet
I have my faith in God above
