

# *No Sleight Of Hand*

Keep your promise to all  
With never a sleight of hand  
And speak in very clear terms  
So that all can understand

Go forth with kindness and love  
With never a sleight of hand  
Attend to somebody's needs  
Helping them out the best  
you can

Deal in faith and goodness  
and trust  
With never a sleight of hand  
And never give reason to doubt  
When you speak of your  
goodwill plan
