

Tony Bennett... R.I.P.

(((Let His Heart In San Francisco)))

His presence and so much
more

And Tony if you're listening now
We all know this for sure

(((The Shadow Of Your Smile)))

Will never be forgotten
And oh that tenor voice
Was clear and smooth as
cotton

And talk about coming from
nothing

You sure were the

(((Rags To Riches)))

Yes you lived

(((The Good Life))) indeed

But with a couple of
unwanted pitches

But now you're in a brand
new place

And

(((The Best Is Yet To Come)))

Because in that wonderful
world of heaven

It'll all be all undone

But when you first enter the
pearly gates

You'll be a

(((Stranger In Paradise)))

no doubt

But when they realize just
who you are

There'll be a flurry of arms
held out
