

# *My Friend Elias*

He works at the Post-Gazette  
And he is the reason I say  
That the poems you read  
each week  
Are all printed in that  
perfect way

Because he lets me know of  
any errors  
That need to be corrected  
for the final print  
And when it's all said and done  
You can bet the condition is mint

And so Eli I thank you so much  
For the wonderful work you do  
And I thank you even more  
For being the wonderful you
