

JUDITH M. FOX

MAY 4, 1948 - AUGUST 1, 2022

In Memory Of Judith M. Fox

It's been a year since you left us and it has created a huge void in our lives. Words can't express the sadness and emptiness we all feel. What we would give to hear "wee" or "she'll be right" one more time. So now all we have are pictures, memories, and your fav Queen, Beatles, and Elton John songs. We will of course travel to New Zealand and Maui, as you requested, in

the following months, to take you to your final resting place.
Kia Ora.

BOBBY, MARIA LLEYTON, and DELANEY.
