

SUSAN DILLON

Age 59, of Pittsburgh, PA, passed away on August 1, 2023, after an intestinal surgery, and is now in perfect peace and with her Creator.

Sue was born on April 7, 1964, to Michael V. and Mary Lou Dillon in Pittsburgh, PA. She struggled with schizophrenia since her teen years, but always fought to thrive under the most challenging of circumstances. She had a sharp wit, feisty spirit, creative mind, and a

positive attitude in the most difficult times. When visiting with Sue, she would always ask how the family is doing and have a huge smile when getting updates. She loved to talk about childhood memories and had a way of always bringing laughter into the conversation. Throughout the years, caretakers would consistently describe Sue as a sweetheart.

Sue was predeceased by her mother, Mary Lou Dillon; father, Michael V. Dillon; and sister, Kathleen A. Pegher. She is survived by her brother, Michael D. Dillon; and a very loving extended family.
