

((Elvis Presley))

1-8-35 ... 8-16-77

((Can't Help Falling In Love))

With those songs that
Elvis sang

Sung like the sweetest

((Teddy Bear))

And with his fans

((All Shook Up)) the same

The world cried when the
King was gone

As the Tennessee and

((Kentucky Rain)) fell

And there was some kind of
rumor going round

That the President had cried
as well

Unlike most of the celebrity
passings

There were no

((Suspicious Minds)) to date

For Elvis had died in his home

And from his own mouth

had said it was his fate

Elvis if you're listening now

((Loving You)) the world

will be

Because your hip shakin

cool rockin pelvis

Are the **((Memories))**

we'll always see

You were a hunk a hunk of

((Burning Love))

And that is a true blown fact

And it'll sure be a real

((Blue Christmas))

Cause you won't be around

for that

We'll take care and we sure

do miss you

And hope there's a

((Blue Hawaii)) up there

And lots of good friends to

keep you company

And maybe a **((Hound Dog))**

that may need your care
