

Missing painting by artist Barbara Boyd, Carnegie Tech, BFA 1954 REWARD! Seeking my mother's artwork that was kept by Carnegie Tech School of Art when she was student from 1950-54. I've attached a photo of her painting that appeared on the cover of WQED's magazine in April 1954. The Heinz History Center has expressed interest in adding it to their collection, if found. Carnegie Tech gave themselves the right to keep student work at that time. Amazing! Will pay a reward for this painting or any other artwork by her. 212-925-3721
