

WILDA KUZMAN

Wilda lived in PA for the first 82 years of her life, growing up in Library with her 10 siblings; marrying Steve in 1947, and moving to Bethel Park and having a daughter in 1950. Wilda enjoyed her life with all her family and friends while working for Sears with her life-long friend, Susie Dolinar, tending bar at the veterans' club, serving as a school crossing guard and joining various clubs and organizations – such as the Bethel Park Fire Department Ladies Auxiliary and the Red Hat Club - and spent much time at the Bethel Park Senior Center, and at St. Valentine Church. At 82, when Steve passed away, Wilda moved to Florida to be with her daughter, Deborah, and son-in-law, David (Feder). In Orlando, she had another 16 years where she made new friends and went on new adventures. She loved her family and friends immensely. Wilda is survived by her daughter, her son-in-law, and numerous nieces and nephews and friends. In lieu of flowers, the family requests a donation be made to your favorite charity to honor Wilda.
