

PUBLIC NOTICE

As requested by the Department of Environmental Protection, we do hereby give notice that SCS Development, Inc. has submitted a Sewage Facilities Planning Module, Component 3s to West Deer Township for a proposed 3-bedroom single family residence. This proposal is for the construction of a small flow treatment facility with discharge into UNT Dawson Run (CWF). The system will be used to treat the sewage from the proposed dwelling on the existing lot. The site is located on the south side of Bakerstown Culmerville Road, approximately 0.16 miles west of the intersection of Rittman Road and Bakerstown Culmerville Road in West Deer Township, Allegheny County. The anticipated sewage flow from the facility is 400 gallons per day (1.0 Equivalent Dwelling Units). The Sewage Facilities Planning Module for this sewage treatment facility is available for public review at the West Deer Township Office. Comments will be accepted for thirty (30) days following the date of this public notice and may be sent to West Deer Township, 109 East Union Road, Cheswick, PA 15024.
