

"Animal" Attraction

And I ain't "Lion" when I
say this
Her name was Hillary Hannitt
And I'll be **"Dog"** on if she
didn't have
The nicest legs on the planet

And women would **"Gopher"**
her too
Because she had the
prettiest face
They'd say to her excuse
me **"Deer"**
Would you like to come up
to my place

And I can cook up some
"Buffalo" wings
Or **"Duck"** soup I could include
Or maybe a leg of **"Lamb"**
Just to get us in the right mood

But Miss H was a pretty
cool **"Cat"**
Did not indulge in any
"Horse" ing around
And although she was the
"Dinosaur" of women
She refused to be made
a clown
