

TIMOTHY PATRICK TORREZ

March 7, 1968 - August 19, 2023

Richmond, Virginia - It is with great sorrow we announce the passing of Timothy Patrick Torrez, P.E., on August 18, 2023. With family and friends by his side, Tim passed peacefully following a courageous brief fight with complications arising from pancreatic cancer. Tim, born on March 7, 1968, was preceded in death and received by his loving father, Joseph Torrez; and is survived by his mother, Rita

Torrez of Pittsburgh; siblings, Joe (Mariette) of Abu Dhabi, and Brian (Joseph Selden) and Maria (Alfred) Sossi of Pittsburgh. Tim was the beloved, caring, wise, fun, and charmingly irreverent teacher and uncle of Anna, Nick, and Joshua Torrez, and Kevin and Ryan Sossi.

Tim's professional and social circles around Richmond were broad and diverse, representing the expanse of his interests, hobbies, and energy level. If he was not working at Republic Services in Richmond operating landfills, then Tim was working the front of the house at the Crazy Rooster Brewery in Powhatan, which he cofounded in 2019, reveling in calling bingo, leading trivia night, pacing the Running Roosters each Thursday, or simply making each guest feel at home. Tim volunteered at the Richmond Railroad Museum where he was a board member and past board president, bringing his childhood passion for trains to life in a meaningful giving way. He expertly guided his softball team, Where My Pitches At, to moral barroom victories if not actual ones on the field. He unleashed his alter ego, Tune Time Tim, and spinning music at weddings and local events. Tim enjoyed the bounty of the Virginia woods, on the trail or on the water with friends, fishing, hunting, hiking, or just laughing and enjoying. He traveled to and explored different lands far and farther, in the States or overseas, most recently in May to Italy with his family. You get the idea... Tim was busy living each moment to its fullest. We're still not sure he ever slept, but we do know Tim enjoyed what downtime he allowed himself at home with his cat, Sidney Crosby, a nod to his love for his hometown Pittsburgh Penguins. Tim's friendships ran strong and deep within those circles; whomever he was with, Tim was Tim, unapologetically authentic to his core, as well as loyal, generous, loving, curious, caring, and kind..and yes, charmingly irreverent.

Born in Steubenville, Ohio, Tim was raised in Pittsburgh, PA and moved on to attend university at Virginia Tech and setting his roots in Virginia following his graduation as a Civil Engineer in 1991. Tim started his career as a Senior Environmental Engineer at the Virginia Department of Environmental Quality, after four years moving on to a role as Project Engineer at Joyce Engineering. Following a six year stint there, Tim moved on to work for the County of Henrico as a Senior Engineer until 2007 before moving on to Republic Services as their Environmental Manager.

During Tim's brief illness and stay in hospital, he was surrounded physically and spiritually by many friends and colleagues across Richmond and far beyond. Always a giver and never one to ask for help and risk inconveniencing others, the show of love and support given to Tim by his friends and the wonderful caregivers in the ICU of VCU Medical Center sustained him. Tim's family is forever grateful.

Though we lost a dear son, brother, uncle, friend, colleague, and giver, we can be comforted knowing his spirit and love lives on, magnified and extended through all of those whom he touched.

Family and friends will be received on Friday, August 25, 2023, from 3 - 8 p.m., **WILLIAM SLATER II FUNERAL SERVICE**, (412-563-2800), 1650 Greentree Rd., Scott Twp. 15220 followed by a Mass of Christian Burial at St. Michael the Archangel Parish, Our Lady of Grace Church in Pittsburgh on Saturday, August 26, 2023, at 10 a.m.

In lieu of flowers, memorial contributions may be made to the Richmond Railroad Museum or Pancreatic Cancer Action Network.
