

City of Pittsburgh - Public Meeting 28th Street Bridge Project

The City of Pittsburgh invites you to attend a Public Open House that will include updates on many ongoing transportation projects in the Strip District, including plans for the 28th Street Bridge Project. The event offers an opportunity to view the new bridge configuration and bicycle and pedestrian access improvements, plans for Maintenance and Protection of Traffic during construction, and the construction schedule. The project team will also be available to answer questions. Additional project information is available at:
