

LEGAL NOTICE

Pursuant to the Land Recycling and Environmental Remediation Standards Act, the Act of May 19, 1995, P.L. 4, No. 1995-2, notice is hereby given that KU Resources, Inc., on behalf of the Housing Authority of the City of Pittsburgh (HACP) as the future owner and remediator and McCormack Baron Salazar (MBS) as the co-developer, will submit to the Pennsylvania Department of Environmental Protection a Final Report for the Larimer Phase III and IV Development Area, located at multiple parcels along Larimer Avenue, Winslow Street, and Maxwell Way in the City of Pittsburgh, Allegheny County, Pennsylvania on or about September 25, 2023. The Site has been fully characterized and the Final Report being submitted states that no unacceptable adverse risks to human health or the environment exist under the current and currently-planned future use of the Site after the implementation of the Cleanup Plan. The intended future use of the Site is residential. This notice is made under the provision of the Land Recycling and Environmental Remediation Standards Act, the Act of May 19, 1995, P.L. #4, No. 2.
