

JOSEPH C. WACHTER

JANUARY 19, 1928 - SEPTEMBER 03, 2003

Dad, it's now been 20 years since you left us. Seems like just yesterday when you took your last breath on that fateful Wednesday afternoon at 5:07. Over the past 20 years, you've never been forgotten, stories have been told, memories enjoyed over and over and laughter among tears...still. Your signs of lights, hummingbirds, or the white moths are always reminders that you are still with us. What a great man, great father, and grandfather you were, and how lucky we were to have you. You will be missed until the day we meet again. Your memory will be kept alive forever, because who could ever forget Joe Wachter.....not me, not ever!

Love and miss you Dad..God Bless America! 2023
