

BETH CHAMBERS WEBER

May 5, 1951-August 30th, 2023

Dearest friends, family, and loved ones,

Sadly, the party is over. But don't worry I'm with Mark, Todd, Lynn, Gracie, and everyone else and we're all doing just fine. Sorry, I had to leave early, but there's no doubt that I made my presence felt for all 72 years I was there. Now, if you know anything about me, it's that I love people. So to start, I want to tell you all about the ones I was lucky enough to

know.

First, there are the ones that got up here before me. To my loving husband, Mark, my brother, Todd and his wife, Lynn, my parents, Sandy and Gail, and, of course, Fern, Sunny, Gracie, and all my other pups, it's wonderful to see you all again. I've missed you dearly.

Then there are the ones I beat to the finish line. To my beautiful daughter, Dayne and husband Cam; my brother, Terry and his wife, Diane; my niece Leanne, her husband Ryan and their adorable daughters, Coco and Vivi; my niece, Allie; my nephew, Michael, and the wonderful collection of friends that made my time on this Earth a true joy, take care of each other. Life will always be too short, so cherish the time you have with the ones you love.

Since I've still got your attention, I might as well brag about some of the more impressive things I did over the last seven decades. Back when I was a little younger, I graduated from North Allegheny High School and Wittenberg University. I then went on to get a Masters in Social Work and Sociology from the University of Pittsburgh. Not too shabby! Work wasn't everything, but I was a social worker for Shaler School District, helped run our family business, A.R. Chambers & Son, and had my own catering business. Since that wasn't enough to keep me busy, I was also a member of Rotary Pittsburgh and a President of Lawrenceville Corporation. Yes, you can thank me for how lovely Lawrenceville is now!

And finally, for those of you who weren't lucky enough to know me all that well, these are things I felt passionate about. First and foremost, my daughter Dayne. We might've argued from time to time, but you've always been my pride and joy. Never stop exploring. Cooking and entertaining. Even if I wasn't hungry, you can bet no one ever came to Bradford Woods and wasn't immediately greeted with a full glass and warm plate. Spending time with friends. Whether it was over a game of bridge or getaways to Stone Harbor, you all truly made life special. And, of course, all things Pittsburgh! No matter how much I had to bribe people to join me for a Steelers game, it was always worth it!

I love and miss you all. But don't worry, I haven't gone far, and I'll keep an eye on you. Do me a favor and don't stop enjoying those beautiful days in the Burgh.

Love,
Tree

A Celebration of Life and memorial walk will be held on Thursday, September 7th at the North Park Lodge, North Ridge Dr., Allison Park, PA, 15101. Party begins at 4:30pm, with a short walk along Tree's daily route beginning at 5pm. In lieu of flowers, please give chocolate to someone you love. Contributions may also be made to the Bradford Woods Conservancy. Arrangements by **SIMONS FUNERAL HOME**, www.simonsfuneralhome.com.
