

# **SWINDELL BRIDGE INSPECTION PITTSBURGH, PA**

HDR is seeking bids for LiDAR scanning, 3D Imaging, and 3D model creation of the subject bridge. Scanning and imaging will be performed from ground or bridge access cranes provided by HDR. Drone equipment will not be permitted due to proximity of Interstate I-279 below the bridge and the need for detailed imaging within the superstructure directly above the interstate. Contact Terry Ummer for bid package ([terry.umer@hdrinc.com](mailto:terry.umer@hdrinc.com) 412-497-6094) Bids due 1PM 9/25/23.
