Pacey; will be missed by his dear niece Elanor (Eric) Berdes. Also survived by aunts, uncles, cousins, coworkers and many friends.

Roger was the founder and President of Alarmax Distributors, Inc for 32 years. He grew the company from a single location and a handful of employees to 26 locations and over 100 employees nationwide. This growth was a testament to his visionary leadership and unwavering dedication to excellence and integrity. Roger was committed to his employees who he regarded as an extended family.

Outside of the office, he loved sport cars, elegant watches, fancy pens, and a very cold-dirty martini. He enjoyed spending time dining out and golfing with friends, going to jazz concerts, attending Pens games, taking guests for a ride on the pontoon boat at his second home in Deep Creek, and ending the day savoring a fine cigar.

Roger was also a man of faith, attending First Lutheran Church for over 40 years. His faith was a source of strength and solace throughout his life. It was an integral part of his identity, making him an example of love and compassion to all who knew him.

He will forever be remembered as a devoted husband, a proud father, and a generous friend.
