You gave me laughter, you
shared my tears.
Your love for me took away
my fears.
You gave me courage to
follow the truth and
for all your love, I Thank You!

Lyrics: "I Thank You"
The Tenors

Thank You for:

- Being a wonderful example of kindness, humility and hard work.
- Being selfless.
- Always seeing the good in others.
- Listening without being judgemental.
- Doing good without expecting anything in return.

Thinking of you and missing you today and everyday.
You will always be my inspiration... my hero.

All my Love 
Rita
