Invitation for Bids (IFB)
SLUDGE CHAMBER PUMP
PROJECT –
GENERAL/MECHANICAL
PWSA Project No.
2021-322-102-2**

Pre-Bid Meeting: October 12, 2023 at 1:00 p.m. both on MS Teams and in person at Aspinwall Water Treatment Plant, 900 Freeport Road, Pittsburgh, PA 15238. The non-mandatory meeting will be followed by a site visit to the Clarifier Residual Distribution Structure for those attending in person. Vendor Questions Due: October 19, 2023 by 4:00 p.m. Bids Due: October 31, 2023 by 2:00 p.m. PWSA is requesting bids for improvements of the Clarifier Residual Distribution Structure at the Pittsburgh Water Treatment Plant. Improvements include, but are not limited to, replacement of sludge pumps in the Clarifier Residual Distribution Structure west chamber and associated piping and other appurtenances, valves, pumps retrieval system, replacement of 6-in. & 4-in. magnetic meters in the meter chamber and other appurtenances. Structural improvements include, but are not limited to: eliminating a gate to the river; middle chamber wall leaks mitigation; west chamber modification; eliminating west chamber connection to the 48" RCP Filter Backwash Drain; installing an east chamber slide gate; and replacing the grating cover. Work also includes eliminating Outfall 010, located east of the Clarifier Residual Distribution Structure.
