Allegheny Hydro LP is providing notice that on or about November 1, 2023, a National Pollutant Discharge Elimination System (NPDES) Permit Application will be submitted to the Pennsylvania Department of Environmental Protection (PADEP). The application is being submitted to permit incidental discharges from the Allegheny 8 hydro-electric power generation facility in Adrian to the Allegheny River. The facility is located in Washington Township, Armstrong County, Pennsylvania. This application is made under the provisions of the Clean Streams Law, the Act of June 22, 1937, P.L. 1987, as amended. The application will be available for review and copying at the PADEP Northwest Regional Office, 230 Chestnut Street, Meadville, PA 16335 between the hours of 8:00 A.M. to 4:00 P.M. Arrangements for reviewing the application ca be made by telephoning the PADEP Regional Office at (814) 332-6945. Fees for copying may be charged by the PADEP

Copies of the application will

also be submitted to Washington Township and the Armstrong County
Commissioners. Persons who

wish to comment on this application should contact the PADEP at the address noted.
