

PHILIP J. CONAHAN

Formerly of Turtle Creek, a resident of Upper St. Clair, age 52, died on Monday, October 2, 2023.

Philip was the beloved son of Virginia "Ginger" (Trinchero) Conahan and the late Philip F. Conahan, Jr.

He was the treasured brother of Enis (Rich) Borowicz of New Wilmington and Colleen (Melvin Berer) Conahan of Plum.

Philip was a special cousin to Peter Demaris and a dear friend and longtime roommate of Jerry Coulter.

Although intellectually challenged and disadvantaged, Philip earned his high school diploma from the Clelian Heights in Westmoreland County. As an adult, Philip lived in a group home and was employed at various work shops throughout the years. His favorite activity was rooting for all of the Pittsburgh sports teams and Notre Dame. At one time, he was a season ticket holder for the Penguins and was thrilled to have personally met Sidney Crosby. Philip also enjoyed a good game of bowling and watching television game shows, in particular The Price is Right and Family Feud. Regularly, he could be found listening to music or sports games on his radio, with or without his headset. Philip also found genuine joy and enthusiasm for the Christmas season.

Although not gifted with high intellect capabilities, Philip loved and was loved in return, and he lived his life to the fullest.
