

WILLIAM T. DEELEY, SR.

William T. Deeley, Sr. age 80, of Upper St. Clair, passed peacefully, surrounded by family, on October 6, 2023.

William was the beloved husband of the late Constance. Loving father to Kimberly (the late Jay Fisher) Liebert; Michelle (James) Yaniek, and William T. Deeley, Jr. (Dorie). Cherished "pappy" of Angela Liebert; Constance (John) Chbala, and Bryan Telesz; and great-"pappy" to Autumn and Roger Chbala. Preceded in death by his parents, William and Dorothy (Weinheimer) Deeley.

For 45 years, William was an engineer. To say he was "only" an engineer would be a lie. William also served in the Navy, in which he was a journalist. The Navy partnered with his love for politics. Aside from politics, William had a great love of sports; being a youth baseball and football coach. His passion for coaching and sports even led to bringing the youth sports leagues to the Upper St. Clair area.

William was a lover of people; according to his children, he accepted all walks of life with open arms and took the role of a strong, single father after their mother passed. William always stood out by always walking down his own path and sticking to it, and never caring what others thought.
