

SCOTT CHARLES NOGRADY

Scott Charles Nogrady, age 53, of Ross Township, Pennsylvania, passed away peacefully on October 7, 2023, surrounded by family and friends. He was the devoted and beloved husband for 25 years of Lisa Nogrady and loving father to Michael Scott Nogrady; son of Elmer (Barbara Looney) Nogrady and the late Audrey Nogrady; brother of Audra (Thomas) Miller, Kimberly (Gary) Stifter, and Colleen

(William Start) Drache. Son-in-law to Rita Schwarzmeier and the late James D. Schwarzmeier. Brother-in-law of Lori (Randy) Geche and Jim (Julie) Schwarzmeier. Beloved uncle to Douglas Morgan, Gregory Morgan, Justin Miller, Andy Geche, and Luella Schwarzmeier. Cat-dad to Toby and Olaf.

Born on April 1, 1970, in Passaic, New Jersey, he developed his love for the outdoors, spending time skiing, bicycling, camping, and dirt-biking around the town of Vernon. After moving to Pittsburgh in the late 1980s, he began his career as a Registered Nurse working at both UPMC Shadyside Hospital and UPMC Homecare. Scott then completed an apprenticeship to become a journeyman lineman, working several years at Sargent Electric and then with Duquesne Light Company, where he took great pride in his work as a lineman and then troubleshooter.

As a dedicated father to Michael, he volunteered for many activities. From helping with Michael's Boy Scout troop to being the "buzzer guy" and scorekeeper for Holy Cross Academy basketball and volleyball games, he was always there to lend a hand. He also served as a volunteer firefighter for West View Borough. Whatever was needed, Scott was always there to lend a hand to his family and friends. His helpful nature defined his character and made him loved by all.

Scott's love for music was unmatched. He played guitar and sang every day and played several times each month with his dear friends, who enjoyed playing together or just listening and enjoying a cold beer or a nice glass of bourbon. He loved playing at open mic nights around the North Hills alone or with the band or with anyone who wanted to jam.

He was an adventurous soul and loved to ride his dirt bike or mountain bike, traveling around the country, attending rallies where he often served as the musical entertainment and where he made many lifelong friends. But his favorite place to go was his camp in the mountains of West Virginia. It was his pride and joy where he made many wonderful memories with family and friends.

Scott lived every day to the fullest and lit up the room everywhere he went. His bright smile and welcoming demeanor made everyone feel as though they had known him their whole life. He was a family man first who loved his wife and son beyond measure and never failed to let them know that he was lucky beyond belief to have the life that they had built. He is loved by so many and will be missed terribly.
