

**INVITATION TO BID
SOUTH HILLS AREA
COUNCIL OF
GOVERNMENTS**

Sealed proposals will be received by the South Hills Area Council of Governments (SHACOG), Allegheny County, PA until 11:00 AM on Thursday, November 9, 2023, to be publicly opened and read immediately thereafter for the following project:

SHACOG 2023 Emergency Services Projects Bid Prices

The participating municipalities of the South Hills Area Council of Governments (SHACOG) find that at times they need to perform emergency construction projects or CCTV inspections/sewer cleaning to insure the proper functionality of their infrastructure. It is SHACOG's intention to receive both unit costs for typical construction items that have been included in past participant municipalities' emergency projects and prices for hourly equipment and manpower to perform miscellaneous emergency projects that are outside of the realm of those items included in the typical emergency construction projects. They also intend to receive prices for the CCTV cleaning and inspection services for emergency needs.

IT IS TO BE UNDERSTOOD THAT NO ACTUAL WORK IS BEING GUARANTEED UNDER THIS PROPOSAL.

There will not be a contract agreement awarded with this bid; however, the unit and hourly prices will be kept on file and act as a binding contract. Should the need for an emergency project arise, the participant municipality's engineer will estimate the items to be included in the project and determine which bidder can perform the work at the lowest responsible cost to the participant municipality.

The preceding work will be completed in the following participant municipalities:

- Emsworth Borough
- Ingram Borough
- Moon Township
- Mt. Oliver Borough
- Robinson Township
- Scott Township
- Upper St. Clair Township

All contractors wishing to bid on this project must be pre-qualified by SHACOG. A bid **will not** be accepted from any bidder that is not pre-qualified.
