

Public Notice

ExteNet Systems, LLC proposes to modify an existing wireless telecommunications facility on an existing Pole located at 261 Moon Clinton Road, Coraopolis, Moon Township, Allegheny, Pennsylvania 15108. The modifications will consist of the collocation of antennas on an existing pole to a top height of 41ft. Any interested party wishing to submit comments regarding the potential effects the proposed facility may have on any historic property may do so by sending comments to: Project 6123007314 - SA, EBI Consulting, 21 B Street, Burlington, MA 01803, or at 757.354.7566.
