

A
"Hockey"
(*Kind Of Love*)

Some **"backchecking"** she
surely did
And discovered his
"backhanded" way
Making her feel like an
"empty net"
"Cheating" on her every day

His name was Tony
"Zamboni"
Yes he was **"skating on thin
ice"**

And not a clue of the
"penalty" coming
As Mary had a plan that
would suffice

So he walks in the door with
a smile

Unaware that a **"faceoff"**
would start

She confronts him about his
cheating

Which he denies while
"cross checking" his heart

She was livid and gave him
a **"head butt"**

And with a quick
"breakaway" he runs for
the door

Mary shouts at the top of
her lungs

Get the **"puck"** outta here
and come back no more
