A"Football" (Kind Of Love)

I thought loving you would be a **"snap"** And I'd just **"blitz"** right into your heart And with your lovely

"backfield in motion" Would be all that I'd need to start

And so I "scrambled" with words to "catch you" But I "fumbled" along the way And crossed over that "line of scrimmage"

And crossed over that
"line of scrimmage"
And was "penalized" for my
"attempted play"

Yes indeed I was surely
"sacked"
No time for a
"quarterback sneak"
Leaving me on the
"sidelines" to wonder
What I could have done fo

What I could have done for you to keep
