

A  
"Hockey"  
( Kind Of Love )

Some **"backchecking"** she  
surely did  
And discovered his  
**"backhanded"** way  
Making her feel like an  
**"empty net"**  
**"Cheating"** on her every day

His name was Tony  
**"Zamboni"**  
Yes he was  
**"skating on thin ice"**  
And not a clue of the  
**"penalty"** coming  
As Mary had a plan that  
would suffice

So he walks in the door with  
a smile  
Unaware that a **"faceoff"**  
would start  
She confronts him about  
his cheating  
Which he denies while  
**"cross checking"** his heart

She was livid and gave him  
a **"head butt"**  
And with a quick  
**"breakaway"** he runs for  
the door  
Mary shouts at the top of  
her lungs  
Get the **"puck"** outta here  
and come back no more
