

A
"Hockey"
(*Kind Of Love*)

Some **"backchecking"** she
surely did
And discovered his
"backhanded" way
Making her feel like an
"empty net"
"Cheating" on her every day

His name was Tony
"Zamboni"
Yes he was
"skating on thin ice"
And not a clue of the
"penalty" coming
As Mary had a plan that
would suffice

So he walks in the door with
a smile
Unaware that a **"faceoff"**
would start
She confronts him about
his cheating
Which he denies while
"cross checking" his heart

She was livid and gave him
a **"head butt"**
And with a quick
"breakaway" he runs for
the door
Mary shouts at the top of
her lungs
Get the **"puck"** outta here
and come back no more
