

A
"Boxing"
(**Kind Of Love**)

He was handed the papers
for divorce

Yes his ex had

"come out swinging"

And it was sure a **"low blow"**
to him

Because his

"final bell was ringing"

She had sworn it was **"a match"**
made in heaven

But it was time to

"throw in the towel"

Not ending in a **"split decision"**

But a **"decision"** to end
it now

So the saying goes if love's
"on the ropes"

You need to accept it and

"go back to your corner"

And just admit that you

"lost the bout"

And maybe **"take another jab"**
at the former
