

A
"Football"
(Kind Of Love)

I thought loving you would
be a **"snap"**

And I'd just **"blitz"** right into
your heart

And with your lovely

"backfield in motion"

Would be all that I'd need
to start

And so I **"scrambled"** with
words to **"catch you"**

But I **"fumbled"** along
the way

And crossed over that

"line of scrimmage"

And was **"penalized"** for my
"attempted play"

Yes indeed I was surely
"sacked"

No time for a

"quarterback sneak"

Leaving me on the

"sidelines" to wonder

What I could have done for
you to keep
