

A "Basketball"

(Kind Of Love)

Heard you've taken a
"time out" with him
Yes that was the **"tip"** I got
So I thought I'd catch you
"on the rebound"
And that maybe you could
"give me a shot"

I heard he wanted to get
intimate
And his advances were
"way out of bounds"
Kind of like
"a technical foul"
And oh how very bad that
sounds

And so I would like to
"court" you
If a **"fast break"** is what
you need
But if you'd like to take a
second to **"screen me"**
Then that would be fine
indeed

Whatever you decide
I'll respect
And please excuse me for
"dribbling" over you
And I will promise to keep a
"low post"
Until you decide what you
want to do
