The family would like to say a special thank you for his many wonderful caregivers at Whitehall Borough Promedica (formerly Manor Care) who cared for both Gabriel and Gertrude over the past ten years. The staff demonstrated great patience while Gabe and Gert held late evening card games and shared McDonald's hamburgers. The family would also like to thank Home Instead who also supplied numerous caregivers over the years who shared kindness and compassion. One caregiver for whom he developed a special bond and lasting friendship was Lee Van Sickle. Lee and Gabe shared similar personalities, enjoyed lots of laughs and shared many pieces of pie. In his last months, the family was appreciative of the support from Tina, Shamuwel, and Nellie. We will forever be grateful.
