Michael was a critical thinker and examined the world around him with a witty sense of humor; both qualities aptly displayed in his original songs. Music was a passion he shared throughout his life at various family gatherings and with strangers in cafes across the country. He was friendly and outgoing and left us a rich assortment of love ballads and colorful songs about life. We highly encourage you to peruse his catalog at Mike Strasser. (<https://soundcloud.com/mike-strasser/tracks>). We know he would love it if you did. One of our favorites is "Waltzing the Moonlight."

Michael was a son, husband, father, grandfather, and brother, and will be dearly missed by his family and friends. All Services are private to the family.
