

BETH ANN (ROLLAGE) SCHAEBER

In the early morning hours of November 19, 2023, Beth Ann Schaeber, surrounded by her loving family, passed peacefully from this earth after bravely fighting cancer for 18 months. She opened her eyes and was welcomed into Heaven. Beth Ann leaves behind a legacy of giving, serving, and loving others that all who knew her will cherish forever.

Married for 18 years to the love of her life, Paul, together they created a beautiful family with their three boys, Jackson, and twins, Jake and Luke. Beth Ann is also survived by her parents, Michael and Carolyn Rollage; her siblings, Gregory (Beth Eslep-Rollage) Rollage, Jeff Rollage, and Susan (Sean) Garin; as well as a large extended family including many nieces and nephews that she loved deeply.

Born on August 13, 1974, Beth Ann knew from an early age that she wanted to help others. She graduated from the Pennsylvania State University in 1997 with a Bachelor of Science Degree in Nursing. After a time serving in the neonatal unit at the Children's Hospital of Pittsburgh, she worked in Hawaii as a traveling nurse and then returned home and furthered her education at the University of Pennsylvania, earning a Master of Science in Nursing. She worked at Children's Hospital of Philadelphia as a nurse practitioner in the neonatal unit and when the twins arrived, she moved back to Pittsburgh with Paul to raise her boys. She worked again at Children's in Pittsburgh and then, most recently at Washington Hospital. Beth Ann practiced nursing with a true servant's heart, caring for babies born into the most difficult of medical conditions.

Beth Ann loved spending time near the water—whether searching for shark teeth and shells in the sands of the Jersey Shore and Myrtle Beach or on her paddle board. Never far away, their dog Sadie loved to join the family on their adventures.

Each morning, as the boys left for school, Beth Ann reminded them to "be a light" and they responded with "shine bright". She was a light to so many who had the good fortune to cross her path. She loved to provide a meal to a grieving family, to send a heartfelt note or to give a kind gift when someone needed it most, and always put others before herself. Never wanting attention for all the beautiful things she did, Beth Ann was a humble servant to the Lord.

"Honor her for all that her hands have done, and let her works bring her praise at the city gate." Proverbs 31:31

The overwhelming support from the community has been greater than the Schaeber family could have ever imagined. While the hearts of those left behind are broken, there is peace in knowing that Beth Ann was welcomed into the arms of God where she will no longer feel pain and will live in eternity cancer-free.
