

Technology Equipment and Building Cabling

The FORT CHERRY SCHOOL DISTRICT invites qualified vendors to submit sealed bids for the purchase, installation and configuration, including network cabling, for campus schools. The DISTRICT intends to apply for discounts on the equipment and services through the federal E-rate program. Interested vendors must take part in the FCC E-Rate program and be in good standing with the program. **Please see RFP at <https://forms.universalservice.org/portal/login> for full details and submission requirements.**

Pamela P. Staley
