

## JANICE E. BOLLMAN

Age 63, of Avalon, passed away surrounded by loved ones on Wednesday, November 22, 2023. She was born in Pittsburgh to the late John L. and Mary Lou Bollman.

Janice meant so much to so many in this world. She was the best mother a woman could ever ask for. She was a guiding light for her grandchildren. She was the one sister to seven brothers who held her own.

Her family was her passion, diving deep into her family's genealogy and building a library of information to carry on for generations. Christmas will not be the same without her, as she put so much into traditions that her family has had throughout the years.

The many friendships she established through her lifetime became just like family to her. She dedicated much of her life to children on the autism spectrum, providing her services as a duly licensed speech-language pathologist and Board Certified Behavior Analyst. She forged many relationships as a result of this career and touched so many lives.

Her cup truly runneth over. In addition to her parents, Janice was preceded in death by her beloved dog, Maggie. She is survived by her daughter, Jennifer (Mike) DeSimone; grandchildren, Jared Bollman and Emma DeSimone; brothers, John (JoElle) Bollman, Michael (Mariann) Bollman, Kenneth (Debbie) Bollman, David Bollman, Thomas Bollman, James Bollman, and Daniel Bollman; eight nieces and nephews and nine great-nieces and nephews, all of whom she deeply cherished.

In lieu of flowers, Janice requested that donations be made to the Hillman Cancer Center. Details may be found at <https://hillman.upmc.com/difference/supporting/make-a-gift>.
