

DANIEL MURPHY PULTZ

Age 80, of Pittsburgh, Pennsylvania, passed away peacefully at his home on November 22nd, 2023. Born on April 5, 1943, Dan is survived by his wife of 57 years, Holly Wilbert Pultz, daughters Shannon and Allison, and grandchildren Lilian, Niall, Julian, and Milo.

Having fought in Getlin's Corner, one of the Vietnam War's most decorated battles, Dan was decorated with the Bronze Star Medal with the V device for Valor in recognition of his leadership and courage.

After his military service, Dan founded and led several companies, including Nettek Services (later Advanticom). In retirement, he dedicated himself to extensive volunteerism in the veterans community, leaving a lasting impact on the Veterans Leadership Program, Friends of Danang, and Semper Fi Outdoor Odyssey, among others.

Beyond his military and entrepreneurial pursuits, Dan was an adventurer, earning a pilot's license and cycling and golfing around the world. Devoted to family, he cherished their Ligonier cottage and engaged in lengthy discussions with friends and neighbors on his Northside porch.

His quest for truth led him to explore various faiths, evolving from his Irish Catholic upbringing into a spiritual seeker. Following a life-altering bicycle accident, Dan formulated the acronym VAULT with his friend Harvey Young, reflecting the universal human desire to be Valued, Accepted, Understood, Loved, and Trusted. This philosophy reflects his lifelong pursuit of connection and a legacy that transcends color and creed.

In lieu of flowers, the family requests that gifts be made in Dan's memory to the Semper Fi Outdoor Odyssey program mail at OUTDOOR ODYSSEY, 450 BOY SCOUT ROAD, BOSWELL, PA, 15531.
