

# *"My Heavenly Love"*

So many years ago  
You'd gone to that place above  
And after you left the earth  
I just knew there was no  
other love

Not someone as dear as you  
Not someone with your  
grace and charm  
Not someone who could  
make me feel  
The way I did when wrapped  
in your arm

I will see you again someday  
That day when God shall decide  
That the time has come for me  
To again be by your side
