

God's Living Creatures

Yes they are God's creation
He even took them in the Ark
Some of them hoot & howl
Some of them bellow & bark

Some of them chirp & chatter
Some of them roar & whistle
Some of them fly & swim
Faster than a moving missile

Some of them snarl & hiss
Some of them moo & meow
Some of them grunt & gobble
Some of them graze and growl

These beautiful creatures of
the world

Are here and they mind their
own business

And to go one even better
They don't ask for a thing
for Christmas

So why would anyone hurt them
And even hunt them down
for sport

And if any of those two
things are done

They should be taken to the
highest court
