

The Art of Forgiveness

Yes it's the hardest thing
That we could ever do
Forgiving that certain person
For all that they put us through

Yes we stomp and scream
and swear
And vow that we won't forgive
And it affects our lives so bad
That we start changing the
way we live

For we hold the grudge so long
But then realize what we've
become

That same person who
made us mad
That now our feelings for
humanity are numb

The art of forgiveness my
friends

Can set us free from the
angst and hate
And yes it's so hard to do
But it's something that just
can't wait
