

The Day You Stopped Loving Me

I don't know what I said
Or what I may have done
But please never let it
be said
That loving you was just
for fun

I loved everything about you
I did and I always will
And as sure as I'm
standing here
My love for you was real

May goodness shine on
you always
And on every single thing
you do
And if ever you should need
a hand
I will be right there for you
