

A Christmas Wish For All

May it be the perfect Christmas
And the yuletide light
shine through
And of all of the
Christmases past
May it be the best for you

And may the day bring joy
and happiness
To all your family and friends
And may the dinner that
you prepared
Bring a feast that never ends

And last but not least I hope
As you open your gift by the tree
That it brings the most
joyful tear
That you ever in life did see
